# AN EXCEPTIONAL RETAIL OPPORTUNITY

Trellis House is a 6-story, mixed use property consisting of 319 residential units and approximately 11,000 square feet of ground-floor retail space. Located at the corner of Sherman Avenue and Barry Place, Trellis House is situated at the intersection of two of Washington, D.C.'s most vibrant neighborhoods, Shaw and the U Street corridor, both known for their rich cultures, histories, and music scenes. Trellis House is a short walk from the area's diverse offering of shops and restaurants, and is also located adjacent to Howard University (9,809 undergraduate student enrollment in 2022). DC's newest Whole Foods recently opened 1 block south of Trellis House.

## THE NEIGHBORHOOD

Shaw and the U Street corridor are experiencing an urban renaissance of unprecedented proportions thanks to their proximity to the downtown core, excellent transportation access and lively cultural and entertainment venues. Residents enjoy the ever-increasing dining and retail commercial conveniences, while local and national retailers are drawn to the strong demographics. Once home to jazz legend Duke Ellington, the Shaw neighborhood still pulses with a rhythm felt by residents and visitors alike.
